ARCHITECT / INTERN ARCHITECT

Edward J. Cuhaci and Associates Architects Inc. is an Award-Winning Firm, recognized for exceptional design of Educational, Research, Corporate and Heritage Restoration Projects and for client satisfaction.

Our office is seeking a licensed Architect or Graduate who is working towards registration. We are looking for an individual that enjoys working in a collaborative team environment and has an interest in architectural design.

Essential Requirements:
- Minimum 2-3 years of experience
- Educational, Commercial, and Health Care experience is preferred
- Proficient in AutoCAD and Revit
- Strong organizational skills and detail oriented
- Familiar with architectural concepts, practices and procedures
- Experience in using the following computer software programs: AutoCAD, Revit, Sketchup, Microsoft Office Suite, Adobe Creative Suites, and other industry related software
- Strong communication skills and experience in architectural and interdisciplinary coordination

We are looking for responsible and motivated Candidates who thrive working in a highly collaborative team environment and who are dedicated to client satisfaction.

Edward J. Cuhaci and Associates Architects Inc. offers competitive compensation and benefits.

Please email your resume and portfolio in confidence to: info@cuhaci.com or by Post to our Ottawa Office Address to the attention of Zofia Jurewicz.
